Publications, Bookchapters, Videos, Meetings, Awards and Honors, Nominations 2008

Publications

**Prevalence of nephrolithiasis in patients with ileal bladder substitutes**
Urology 71:128-130; 2008

**Outcome after radical cystectomy with limited or extended pelvic lymph node dissection**
J Urol 179:873-878; 2008

**The role of lymphadenectomy in high risk prostate cancer**
Burkhard F.C., Studer U.E.
World J Urol 26(3):231-6; 2008

**Effects of a non-selective COX inhibitor and selective COX-2 inhibitors on contractility of human and porcine ureters in vitro and in vivo**
Chaignat V., Danuser H., Stoffel M.H., Z’Brun S., Studer U.E., Mevissen M.
Br J Pharmacol 154(6):1297.1307; 2008

**A diagnostic challenging cast of uretero-vaginal fistula following laparoscopic hysterectomy**
Giannarini G., Borkowski T., Schmid O., Burkhard F.C., Studer U.E.
J Minim Invasive Gynecol 15:209-11; 2008

**A safe and simple solution for intravesical tension-free vaginal tape erosion: removal by standard transurethral resection**
Huwyler M., Springer J., Kessler T.M., Burkhard F.C.
BJU Int 102(5):582-5; 2008

**Effect of thalamic deep brain stimulation on lower urinary tract function**

**Diabetes mellitus: does it impair urinary continence after radical cystoprostatectomy and ileal orthotopic bladder substitution?**
Kessler T.M., Ochsner K., Studer U.E., Thalmann G.N.
Eur Urol 53:1040-1047; 2008

**The template of the primary lymphatic landing sites of the prostate should be revisited: results of a multimodality mapping study**
Eur Urol 53:118-125; 2008
Mattei A., Studer U.E.
Eur Urol 53: 18-20; 2008

To stent or not to stent perioperatively the uretero-ileal anastomosis of ileal orthotopic bladder substitutes and ileal conduits? Results of a prospective randomized trial
Mattei A., Birkhäuser F.D., Baermann C., Warncke S.H., Studer U.E.
J Urol 179(2):582-6; 2008

Agents used for chemoprevention of prostate cancer may influence PSA secretion independently of cell growth in the LNCaP model of human prostate cancer progression
Peternac D., Klima I., Cecchini M.G., Schwaninger R., Studer U.E., Thalmann G.N.
Prostate 68(12):1307-1318; 2008

Good outcome for patients with few lymph node metastases after radical retropubic prostatectomy
Schumacher M.C., Burkhard F.C., Thalmann G.N., Fleischmann A., Studer U.E.
Eur Urol 54:344-352; 2008

Using PSA to guide timing of androgen deprivation in patients with T0-4 N0-2 M0 prostate cancer not suitable for local curative treatment (EORTC 30891)
Studer U.E., Collette L., Whelan P., Albrecht W., Casselman J., de Reijke T., Knönagel H., Loidl W., Isorna S., Sundaram S.K., Debois M.
Eur Urol 53:941-949; 2008

Renal oxygenation changes during acute unilateral ureteral obstruction assessed by blood oxygen level-dependent (BOLD) MR imaging
Radiology 247(3):754-61; 2008

The orthotopic neobladder
Thurairaja R., Burkhard F.C., Studer U.E.
BJU Int 102:1307-1313; 2008

Long-term follow-up results of one cycle of adjuvant BEP chemotherapy in high-risk clinical Stage I nonseminomatous germ cell tumor of the testis
Westermann D., Schefer H., Thalmann G.N., Karamitopoulou-Diamantis E., Fey M.F., Studer U.E.

Air charged and microtip catheters cannot be used interchangeably for urethral pressure measurement: a prospective, single-blind, randomized trial
Zehnder P., Roth B., Burkhard F.C., Kessler T.M.
J Urol 180(3):1013-7; 2008
