Publications

Immunohistochemical determination of p53 overexpression: an easy and readily available method to identify progression in superficial bladder cancer?

Burkhard F.C., Markwalder R., Thalmann G.N., Studer U.E.
Urological Research, 25 (Suppl): 31-35, 1997

Extrinsic innervation of the cat prostate gland. A combined tracing and immunohistochemical study.

Danuser H., Springer J.P., Katofiasc M., Thor K.B.
Journal of Urology 157; 1018 - 1024, 1997

Transforming Growth Factor- β 3 is expressed in nondividing basal epithelial cells in normal human prostate and benign prostatic hyperplasia, and is no longer detectable in prostate carcinoma.

Djonov V., Ball R.K., Graf S., Mottaz A.E., Arnold A.M., Flanders K., Studer U.E., Merz V.W.
The Prostate 31:103-109 (1997), Wiley-Liss. Inc.

Réultats urodynamiques et cliniques à long term chez 70 patients ayant une vessie iléale de substitution combinée avec un mécanisme anti-reflux ou un segment tubulaire afférent.

Hugonnet Ch., Danuser H., Thalmann G., Studer U.E.
Progrès en Urologie, 6:960-966, 1997

Genetic changes associated with the acquisition of androgen-independent growth, tumorigenicity and metastatic potential in a prostate cancer model.

Hyytinen E.R., Thalmann G.N., Zhou H.E., Karhu R., Kallioniemi O.P., Chung L.W.K., Visakorpi T.
British Journal of Cancer, 1997, 75 (2): 190-195.

A Novel Family of Serine/Threonine Kinases Participating in Spermiogenesis.

Kueng P., Nikolova Z., Djonov V., Hemphill A., Rohrbach V., Böhlen D., Zuercher G., Andres A., Ziemieck A.
The Journal of Cell Biology 7:139,1851-1859, 1997

Abnormal p53 expression is rare in clinically localized prostate cancer: comparison between immunohistochemical and molecular detection of p53 mutations.

Mottaz A.E., Markwalder R., Fey M.F., Klima I., Merz V.W., Thalmann G.N., Ball R.K., Studer U.E.
The Prostate, 1997, 31: 209-215

La chimotherapie adjuvante après cystectomie pour tumeur vesicale de stade superieur ou egal a pT3.

Schmid H-P., Studer U.E.
Progrès en Urologie, 7:102-104, 1997

A Phase II study of oral Idarubicin as a treatment for metastatic hormone-refractory prostate carcinoma with special focus on prostate specific antigen doubling time.

Schmid H-P., Maibach R., Bernhard J., Hering F., Hanselmann S., Gusset H., Morant R., Pestalozzi D., Castiglione M. for the Swiss Group for Clinical Cancer Research
Cancer, 79:1703-1709, 1997

Ileal orthotopic bladder substitutes - What we have learned from 12 years experience in 200 patients.

Studer U.E., Zingg E.J.
Urologic Clinics of North America: 24;4, 1997

Minimizing morbidity from reconstructive bladder surgery.

Studer U.E.: Editorial:
Journal of Urology; Vol. 157: 2107-2108, June 1997

Functional reconstruction and trauma, Editorial.

Studer U.E.
Current Opinion of Urology 1997, 7:131-132

Arguments contre l'utilisation à long terme du blocage androgénique complet.

Studer U.E., Bitton A.
Progrès en Urologie; 7(Septembre):662-664,1997

Kommentar zu "Sofortige oder verzögerte Behandlung des fortgeschrittenen Prostatakarzinomes, Erste Ergebnisse der MRC-Untersuchung.

Studer U.E.
Urologe B; 4,398-399,1997

Editorial: "Flutamide versus Orchiectomy in the treatment of metastatic prostate carcinoma.

Studer U.E.
European Urology; 32:391-396, Nov. 1997

Interleukin-8 (IL-8) Expression in the urine after Bacillus Calmette-Guèrin therapy: A potential prognostic factor of tumor recurrence and progression.

Thalmann G.N., Dewald B., Baggiolini M., Studer U. E.
Journal of Urology, 1997, 158: 1340-1344.

The case for continent urinary diversion.

Turner W. H., Bitton A., Studer U. E.
Urology;49(5):663-667, 1997

Cystectomy and urinary diversion.

Turner W. H., Studer U. E.:
Semin. Surgical Oncology;13:350-358, 1997

The effect of nerve sparing cystectomy technique on post-operative erections and continence after orthotopic bladder substitution.

Turner W. H., Thalmann G.N., Moehrle K., Studer U. E.

Journal of Urology;158(6):2118-2122, 1997

Bookchapters

Treatment of Obstructive Prostatic Disease with High-Intensity Focused Ultrasound High Energy Shock Waves in Medicine

Böhlen D., Weise E.S., Fügen M., Studer U.E.

(p. 166), Thieme Verlag Edited by Chaussy C., Eisenberger F., Jocham D., Wilbert D., 1997

Ileal low-pressure bladder substitute.

Studer U.E., Casanova G.A., Zingg E.J.

In: Campbell's Urology, Ausgabe 1997

Neobladder - Studer Technique.

Studer U.E., Danuser H., Turner W.H.

In: Operative Urology. Krane, Siroky, Fitzpatrick (eds.)
Churchill Livingstone, London,

Cystectomy, bladder reconstruction, urinary diversion and stomatherapy

Turner W.H., Studer U.E.

In: The Clinical Management of Bladder Cancer (ed Hall RR) Chapman and Hall. in press

Scientific Publications. in press

Tumours of the bladder.

Turner W. H., Merz V.W., Studer U. E.

In: Oxford Textbook of Clinical Nephrology. (ed Davison AM., Cameron JS., Grünfeld J-P., Kerr DNS. and Ritz E.)

Oxford University Press. in preparation

Experimental Approaches to Skeletal Metastasis of Human Prostate Cancer.

Thalmann G. N., Anezinis P., Devoll R., Farach-Carson C., Chung L.W.K.

Principles and Practices of Genitourinary Oncology (Chapter 40)

Edited by Derek Raghavan, Howard I. Scher, Steven A. Leibel and Paul H. Lange.

Lippincott-Raven Publishers, Philadelphia 1997

Fever as prognostic factor of BCG therapy.

Thalmann G.N., Studer U.E.

First Lübeck Symposium on Bladder Cancer (1 997) Ed. D. Jocham, A. Böhle.

Moderations

Freie Mitteilungen

Danuser H.J.

Schweiz. Gesellschaft für Urologie: Luzern 4. - 6. 9. 1997

Laser in der Urologie

Hochreiter W.W.

Schweizerische Arbeitsgemeinschaft für Laserchirurgie, Lachen, 24. 10. 1997

Freie Mitteilungen

Schmid H-P.

Schweiz. Gesellschaft für Urologie: Luzern 4. - 6. 9. 1997

Urinary Diversion.

Studer U.E.

American Urological Association, New Orleans, 11. - 19. 4. 1997

Harnblasenkarzinom

Studer U.E.

VI. Symposium Heinrich-Warner-Stiftung, 30. 10. - 1. 11. 1997, Hamburg

Chairman continent diversion following cystectomy

Studer U.E.

Fifth International Consensus Meeting on Bladder Cancer 1997,

Tokyo, 6.- 8. 11. 1997

The Second World Congress on Urological Research 1997

Thalmann G.N.

(joint meeting of the Society for Basic Urologic Research and the European Society for Urological Oncology and Endocrinology) Interventional Biology Session, 13. 12.

1997

Prices, honors, nominations

Schmid H-P.:

Faculty member, European School of Urology

Studer U.E.:

Member Editorial Board Current Opinion in Urology

Studer U.E.:

Corresponding Member of the American Association of Genitourinary Surgeons

Studer U.E.:

Member of the Editorial Advisory Board in Seminars in Urologic Oncology

Thalmann G.N.:

CaP CURE Research Award: "Targeting Prostate Cancer Bone Metastasis By Mimotopes" in the amount of \$100'000.-

Thalmann G.N.:

Travel Award of the European Society for Urologic Oncology and Endocrinology, Joint meeting SBUR/ESUOE 1997, Pacific Grove, CA, USA.

Thalmann G.N.:

Faculty member, European School of Urology

Invited lectures:

State of the Art: Orthotopic bladder substitution.

Studer U.E.

Annual Meeting of the Finnish Urological Association, Vaasa, 14.2.1997

Keys to success with orthotopic bladder substitutes.

Studer U. E.

Senior Urological Registrars Meeting, March 1997, Leeds, UK

Hormonal treatment in advanced prostate cancer: in whom, when and how?

Studer U.E.

Senior Urological Registrars Meeting, March 1997, Leeds, UK

State of the Art: How I do a radical prostatectomy

Studer U.E.

European Urological Winter Forum Davos, February. 1997

Early results with laser, microwave or ultrasound treatment of BPH

Studer U.E.

European Urological Winter Forum Davos, February 1997

Reflux in orthotopic bladder substitutes - is it an issue?

Studer U.E.

European Urological Winter Forum Davos, February 1997

Continent Urinary Diversion and Neobladders in Urologic Surgery

Studer U.E.

American Urological Association, Annual Meeting, Teaching Course, New Orleans, April 1997

12 year experience in 200 patients with ileal low pressure bladder substitution

Studer U.E.

American Urological Association, Annual Meeting, New Orleans, 11. - 19. 4. 1997

Keys to success in orthotopic bladder substitution.

Studer U.E.

International Symposium Advances in Urology 1997, Buenos Aires, 28. - 30. 5. 1997

Bladder replacement / Continent Urinary Diversion.

Studer U.E.

International Symposium Advances in Urology 1997, Buenos Aires, 28. - 30. 5. 1997

Hormonal treatment in advanced prostate cancer: in whom, when and how?

Studer U.E.

International Symposium Advances in Urology 1997, Buenos Aires, 28. - 30. 5. 1997

The Ileal Neobladder - Keys to success in orthotopic Bladder Substitutes.

Studer U.E.

International Symposium Advances in Urology 1997, Buenos Aires, 28. - 30. 5. 1997

Factors related to a successful ureteral reimplantation in the bowel.

Studer U.E.

International Symposium Advances in Urology 1997, Buenos Aires, 28. - 30. 5. 1997

Meticulous pelvic lymphadenectomy in surgical treatment of invasive bladder cancer - an option or a must?

Studer U.E.

VI. Symposium-Heinrich-Warner-Stiftung, 30. 10. - 1. 11. 1997, Hamburg

Indication for continent diversion following cystectomy in invasive bladder cancer and long term results including voiding and sexual functions.

Studer U.E.

Fifth International Consensus Meeting on Bladder Cancer, Tokyo, Japan 6. - 8. November 1997

Minimal invasive Therapie an den oberen Harnwegen.

Danuser H.J.

Diagnostisch-therapeutisches Seminar der Medizinischen Poliklinik, Mai 1997

Prostate-specific antigen as a surrogate marker in phase II and III clinical trials.

Thalmann G.N.

Prostate Cancer, Epidemiology, Prevention and Endocrine Treatment,
European School of Urology, Budapest, Hungary, 25th October, 1997

The LNCAP mouse model of human prostate cancer: androgen-independent cancer progression and osseous metastasis.

Thalmann G.N.

Workshop on animal models of prostate cancer.

Purdue University, West Lafayette, Indiana, August 15. - 16. 1997

Video presentations

Technical aspects of transurethral Holmium contact laser Resection of the Prostate.

Hochreiter W, Hugonnet Ch, Studer U.E

Société Internat. d'Urologie, Montreal, 7. - 11. 9. 1997
